Oggetto: Lettera di referenze – Chaos League

Spett.le

con la presente desideriamo fornire una referenza relativa a **Chaos League S.r.l**, con cui collaboriamo ormai dal 2016 presso il **Convento dell'Incontro** per l'organizzazione dell'evento larp "Tutti Hanno Un Segreto" in 3-4 date l'anno.

Nel corso della collaborazione, Chaos League si è distinta per serietà, affidabilità e spirito collaborativo, rendendo la gestione complessiva dell'evento semplice e piacevole anche per lo staff della struttura. L'utilizzo degli spazi è stato ordinato e rispettoso, con attenzione ad arredi e impianti, pieno rispetto delle indicazioni operative e riconsegna degli ambienti in condizioni conformi agli accordi. Abbiamo inoltre apprezzato la puntualità nella pianificazione di allestimento e disallestimento e una gestione attenta dei flussi dei partecipanti, riducendo al minimo l'impatto sull'operatività della location.

Durante l'evento sono stati mantenuti decoro e pulizia, con corretta gestione di materiali e rifiuti secondo le modalità indicate, e un'attenzione concreta agli aspetti di sicurezza (capienza, percorsi e aree sensibili), in costante coordinamento con il nostro personale. La comunicazione è sempre stata chiara e tempestiva, con referenti facilmente reperibili e capacità di affrontare eventuali imprevisti con prontezza e rispetto.

Infine, segnaliamo la puntualità e precisione nei pagamenti, avvenuti nei tempi concordati e con gestione trasparente di preventivi e documentazione.

Alla luce della nostra esperienza, riteniamo Chaos League pienamente raccomandabile per future collaborazioni e per l'utilizzo di spazi destinati a eventi. Restiamo a disposizione per eventuali ulteriori informazioni.

Reference Letter – Chaos League

To whom it may concern,

With this letter, we would like to provide a reference for **Chaos League S.r.l.**, with whom we have been collaborating since 2016 at **Convento dell'Incontro** for the organization of the LARP event “**The secret we Keep**”, held **three to four times per year**.

Throughout our collaboration, Chaos League has consistently stood out for its professionalism, reliability, and cooperative spirit, making the overall management of the event simple and pleasant also for our venue staff. The use of the premises has always been orderly and respectful, with great care for furnishings and facilities, full compliance with operational guidelines, and the return of all areas in conditions consistent with our agreements. We have also appreciated their punctuality in planning set-up and dismantling activities, as well as their careful management of participant flows, minimizing the impact on the venue's day-to-day operations.

During the event, cleanliness and decorum have been maintained, with proper handling of materials and waste according to the procedures provided, and concrete attention to safety aspects (capacity limits, routes, and sensitive areas), in constant coordination with our staff. Communication has always been clear and timely, with easily reachable contacts and the ability to handle any unforeseen issues promptly and respectfully.

Lastly, we would like to highlight the punctuality and accuracy of payments, made within the agreed deadlines, as well as transparent management of quotations and documentation.

Based on our experience, we consider Chaos League fully recommendable for future collaborations and for the use of venues intended for events. We remain available for any further information.

Kind regards,

Martina Burberi

Chaos League APS and their respective clients were guests at our facility "Bunker Soratte" during the larp events they organized.

The stay in the facility proved to be pleasant and uncomplicated, above all it was possible to establish an excellent professional relationship.

I hereby affirm that the Chaos League team (and their respective customers) have been able to maintain the behavior in keeping with the place, proving to be respectful and polite people. The team also demonstrated professionalism, attention to the property, and precision in managing the event. We have therefore established a partnership that has lasted successfully for 5 years.

Given the positive experience, I recommend the reception of the above as guests and clients at your establishment.

Kind regards,
